SUPPLEMENTAL DECLARATION OF TIMOTHY E. CUPP

The undersigned, Timothy E. Cupp, declares under penalty of perjury that the following
is true and correct:

1. I am over the age of 18 and am competent to make the statements contained in
this Declaration. This Declaration supplements the previous declaration I submitted to the Court
in support of the Plaintiff's Motion for Preliminary Approval of the Settlement and Class
Certification. I am seeking to be named as counsel for the class, along with my co-counsel in
this consolidated action.

2. The accompanying Exhibit A consists of records derived from the contemporaneously maintained time records of Cupp & Cupp, P.C. for hours expended in the instant litigation from April 24, 2008 through December 16, 2009, and sets forth the hours expended in this case on the dates corresponding to each time entry. As reflected on the attached summary sheet, I have expended 540.10 hours on this case through December 16, 2009. The entries on Exhibit A further reflect portions of the information entered into my contemporaneously maintained time records, modified to avoid disclosure of confidential information, attorney-client privileged information and/or information protected by the attorney work product doctrine.

3. Originally, my time records were maintained in my personal daily diary, on time sheets, or were entered directly into our computer system. A "pre-bill worksheet" is available to review on a periodic basis for internal review. The client is billed for expenses on a periodic basis in contingency cases.

4. Cupp & Cupp, P.C. also has incurred costs and expenses of the litigation. All costs and expenses incurred by Cupp & Cupp, P.C. which have been billed to date have been paid by Mr. Domonoske. There are some additional expenses which have not yet been billed in the amount of \$29.98. Other costs and expenses of the litigation were paid directly by Mr. Domonoske, or were advanced by co-counsel, and were not advanced by my firm. The litigation expenses and advances are also reflected on the invoices or records attached as Exhibit B. The first invoice for advances and costs is for the federal court filing fee of \$350.00, plus some minor costs for copies. These costs and expenses total \$1,889.16 thus far.

I declare under penalty of perjury that the foregoing statements are true and correct.
